IMAGE

The team member/driver participating in an UIM F1H2O Powerboat World Championship event which has ongoing international and sportive significance and in consideration of the acceptance of his/her participation in the Championship, the team member / driver accepts to be filmed, televised, photographed and otherwise recorded during the World Championship under the conditions and for the purposes now or hereafter authorized by the UIM and the F1 promoter

PROGRAMME

See attached the TIME SCHEDULE (unless announced differently at race registration).

If there is a change in the racing course, there will be an extra free practice.

If the time trials need to be stopped by force majeure and less than 50% of the 45 minutes time trials were run, the results of the time trials will not be considered and the overall classification will be taken for the pole position.

In case of force majeure, this format may be amended by the UIM Commissioner.

No racing engines will be allowed without previous approval of UIM Commissioner.

ECU BOXES

It is compulsory to install the ECU boxes on the F1H2O engines before each test, timed trials and race. These ECU boxes are supplied by Idea Marketing and will not be tampered with.

At each race site, the approved F1H2O race ECU boxes will be handed out, assigned randomly.

Installation has to be completed prior to the start of activities in the water.

The approved ECU boxes will be returned at intervals during and after the race week-ends.

ONBOARD CAMERA

Each boat must lodge the on-board camera whenever required by the official TV crew, therefore all boats must be set up to lodge the on-board camera following the instructions given by IDEA MARKETING.

DRIVERS' BRIEFING

Meeting will be held at race Headquarters as per time schedule. It is compulsory to be present at drivers meeting roll call.

REPAIRS

Only if the boat reaches the pontoon on its own engine power, repairs can be made on the rear side of the start pontoon or on the launching pontoon, while the boat is completely in the water or on its trailer.

Further instructions for the repairing area may be given at Driver's Briefing – ref Rule 4.

See also UIM F1 rule Art.4 page 337 Blue Pages.

PASSES

Passes shall be supplied to teams locally.

ACCREDITATIONS

All photographers and TV crew members will need accreditation supplied by the promoter.

SPACE ALLOCATION

The allocation of the paddock positions shall be made on basis of the Teams' sporting merit and with due consideration of the Promoter's contractual commitments as well as respecting the preference for the Team of the organizing city and/or country.

SPONSORS

It is the driver's responsibility to make sure that his sponsors are in compliance with the local and television transmission rules.

Drivers have to mention their sponsors on the Entry Form; all new boat sponsors have to be approved by IDEA MARKETING. In case of conflict Series and Event sponsors will prevail.

Series sponsors and event sponsors logo/stickers to be displayed on the racing boat shall be distributed at the Registration on Day.

AWARDS
